Mortem melius, vita nil peius iniqua
Spira morte boim, reges eterna labo
Tu semel fugum domino volente relaxas
Unctorum graves admissa cervix cædenas
Expium levis, et carceris hostia frangis
Epis indignus, nista bona gibus equans
Atque annona manus, nulla exorabilis arte
A primo prefixa die. tu anneta quieto
Ferre rubes animo, promisso fines laborem
Te sine supplicium, vix est carcer perennis

Every effort has been made, by private arrangement, with the Russian authorities, to provide for the comfort of the wounded. The Red Cross Society, although not really an official institution, exercises a very wide range of work. The nearest medical station is generally not more than an hour's drive away.
